SUBJECT: **[REDACTED]** Interim Report - 8916 (U)

TO: CHIEF SCIENTIST, DEFENSE INTELLIGENCE AGENCY

SG1A

1. (S/NF/ ^{SG}) During the period of 7 Apr 89 to 24 Apr 89, inclusively, 17 sessions were conducted to determine the location of **[REDACTED]**

2. (S/NF/) Perceptions of Remote Viewer 003:

a. Current Location: In Mexico, in the western coastal area almost due west of Mexico City (TAB A).

b. Area Description: A western coastal area of mild climate; part of the Americas, with a desert to the east. The local area (TAB A) is suburban, mainly large isolated estates near a dense, modern city and major roads. The local area (TAB B) is suburban, mainly large isolated estates near a dense, modern city and major roads. The local language has a "Spanish" or "Italian" flavor.

c. Residence Habitat: A large, multi-storied, "porticoed" white building with a red roof (TAB B), surrounded by a white wall and circular drive (TAB C, located on a winding, landscaped road. It is roomy, dimly lit, cool, sparsely furnished, and orderly. He is here as a "guest" of the owner, for the mutual self-interest of both parties.

SG1A

d. Appearance/Activities: **[REDACTED]** is of medium height, stocky, with tan skin and dark eyes. He is opportunistic, taking advantage of people by winning their confidence. He feels generally safe. He represents himself as something he is not, but does not go out of his way to make it believable. It is nothing more than a way to provide those with whom he is dealing

3. (S/NF/) Perceptions of Viewer 011:

a. Current Location: [REDACTED] was located in South-central Minnesota (TAB E), between the two small towns of Madelia and Lake Crystal, on Hwy. 60, just west of Mankato, Minnesota (TAB F).

b. Area Description: An isolated, rural area in a warm climate, with heavy vegetation, including large, broadleaf trees. The house is on a small gravel road with a large body of water nearby (TAB G).

c. Residence Habitat: The house is a multi-storied farmhouse in run-down condition and an old barn and smokehouse adjacent to it. It is surrounded by trees and fronts on a gravel road. The front has a covered porch, and there is a cellar entrance in the rear, as well as a rear door (TAB G). Furnishings are simple and austere.

SG1A

d. Appearance/Activities: [REDACTED] is a male caucasian with possibly some hispanic or mediterranean blood. He is in his late 30's to mid 40's, approximately 5'7" to 5'8" tall, with average build (165-170 lbs) and thick, dark, wavy hair which is receding a little. He is bored and surly. There is a woman with him. Two young males come and go from here.

e. Alias: The name "Frank Reynolds".

SG

4. S/NF/) Perceptions of Viewer 025:

a. Current Location: In Florida, in the western coastal area on Florida's southern tip (TAB I). In the vicinity of North Point, Cape Saber, and Everglades City. All three locations are in close proximity to one another in the Everglades of Florida.

b. Area Description: A warm, tropical, coastal area (TAB J) frequented by young tourists, and situated in a forested area with flowers.

c. Residence/Habitat: 025 did report that he lives alone in an apartment in a one or two storied clapboard house located about 6 miles inland from the sea coast.

SG1A

d. Appearance/Activities: [REDACTED] is medium-build, middle-aged (55 years), blue eyes, and normally brown hair which is now short and white. He has normal intelligence and speaks with a melodious accent. He likes music and frequents clubs. His

current activities are related to the medical profession and involve the use of an apparatus, such as a microscope.

SG1A

e. Alias: 025 reported current alias of "Wayne", but noted that [REDACTED] is expected to change his name again.

f. Additional Data: The names "Rosemary (possible sister) Maggie/Lynn" surfaced as individuals that [REDACTED] would turn to for assistance.

SG1A

5. (S/NF/SK) Perceptions of Viewer 079:

a. Current Location: Lovell, Wyoming. In the vicinity of Indian Territory.

b. Area Description: A sparsely populated area within the "limits of Indian territory."

c. Residence Habitat: None indicated.

SG1A

d. Appearance/Activities: [REDACTED] is a middle aged, short, slender white male with long, straight brown hair. He wears a cowboy hat. "He is very much a white man (residing) in Indian territory."

e. Alias: None indicated

6. (S/NF/SG) Perceptions of Viewer 095:

a. Current Location: In central Mexico (TAB L) near the town of Ciudad de Rio Grande (TAB M)

b. Area Description: Sunny and warm, with rocky, rolling hills, and low vegetation. There is a large body of water far to the east, which has cyprus-like trees. There is a "foreign" (non-US) flavor, with a melodious language. The local area is rural, on the outskirts of a small "town", consisting of no more than 10 buildings sitting directly on a winding and narrow two-lane road which leads away from the town, past his residence, and on through a pass between two hills (TAB N).

c. Residence Habitat: A large, long, three storied white building with a beige-brown roof and a grimy exterior of flaking plaster. There are no doors on the side facing the road. External stairs on the end of the building nearest the town lead up to a top floor where Jordan lives in the rear (TAB O).

SG1A

d. Appearance/Activities: [REDACTED] is tall, thin, and very tan with curly hair and dark eyes. His eyes look unnatural because they do not match his facial expression, or because he is wearing colored contact lenses. He is in his 30's, has crow's feet lines around his eyes, and a mark on the left side of his face. He pretends to be easy-going and friendly, but is inwardly disgusted by most people. This outward friendliness is useful in

his job, gaining him acceptance. At work, he wears a white, open-collar shirt and blue pants. His job is as a trucker or delivery man, driving a flat-fronted van on a "circuit" through hills on long, narrow, winding roads.

e. Alias: [REDACTED] is presently using a first name sounding like "Kuh-rah-i-(ss or th)-tuh-uh-nn" (possibly "Christian"), and a last name sounding like: "M-(eror ur)-ee-(duh or tuh)" (possibly "Meredith").
